Notice by Affidavit

Comes now Affiant, _____, one of the people (as seen in Article 1 Section 1 of the Minnesota Constitution) Sui Juris, in this court of record, providing you due notice that you may provide due care; notice to agent is notice to principal and notice to principal is notice to agent. Please take notice that you as a public servant are granted certain powers from the people and this granted authority is for the benefit of the people and that their will only would be carried out (please see Minnesota constitutional provision Article 1, Section 1 below):

Text of Article 1, Section 1:
Object of government. Government is instituted for the security, benefit and protection of the people, in whom all political power is inherent, together with the right to alter, modify or reform government whenever required by the public good.

Being that the people have all power to reform, alter, and abolish their government whenever the government should go against their interests or deemed inadequate, please take notice that the people are also not to be disturbed in their private affairs by anything that is not written as law by the legislature. The people have also reserved the right to not have arbitrary power wielded over them by actions or statements that are not laws. Any executive order or power is created to bind an agency of government and not the people. The people reserve the power to not have any liberty taken away without a jury of their peers or by law of the land. All executive orders and powers are unconstitutional when applied against the people. Therefore, the people demand and command you to remove the peacetime emergency powers that have been usurped by the Governor of Minnesota to coerce, control, and mislead the people.

In order to demonstrate that these orders are not judicial and that you are trampling the highest law of the state by placing executive orders and powers over the people that goes against our constitutional law, please take notice of the following constitutional law as the highest law of the state:

Text of Article 1, Section 2:
Rights and privileges. No member of this state shall be disfranchised or deprived of any of the rights or privileges secured to any citizen thereof, unless by the law of the land or the judgment of his peers. There shall be neither slavery nor involuntary servitude in the state otherwise than as punishment for a crime of which the party has been convicted.

The people would like to remind you of the oath you took when sworn into office per the Minnesota Constitution Article 4, Section 8:

Oath of office. Each member and officer of the legislature before entering upon his duties shall take an oath or affirmation to support the Constitution of the United States, the constitution of this state, and to discharge faithfully the duties of his office to the best of his judgment and ability.

In order for the people to have remedy and be made whole, we demand that you repeal Governor Tim Walz’s peacetime emergency powers immediately so we the people do not have to be burdened with this issue. We realize you made an error of judgement in allowing the Governor’s executive orders pressed upon the people. Should you decide not to represent the people in the manner we have commanded, per the Minnesota state

constitution, the people have the ability to redress any wrong doings or misappropriations you have made against us:

Text of Article 1, Section 8:
Redress of injuries or wrongs. Every person is entitled to a certain remedy in the laws for all injuries or wrongs which he may receive to his person, property or character, and to obtain justice freely and without purchase, completely and without denial, promptly and without delay, conformable to the laws.

Any attempt to trample the people's rights after this notice will be considered a trespass with full knowledge and intent; and

Any man or woman who denies these claims are true must rebut them under penalty of perjury in the form of a sworn affidavit. Any man or woman who decides to suppress this affidavit agrees to pay \$50,000 and any disputes by any public officials or private actors who are bound by contract to the Minnesota Constitution agrees to have these matters heard before an Arbitrator of my choice and to be bound thereby. Any man or woman denying these claims are true must rebut these claims point by point within (3) days (72hrs). Failure to respond means that by acquiescence you agree that all claims are true.

Verification

I hereby declare, certify and state, pursuant to the penalties of perjury under the laws of the United States of America, and by the provisions of 28 USC § 1746 that all of the above and foregoing representations are true and correct to the best of my knowledge, information and belief.
