I, _____, one of the People of _____ State, am giving you
due notice that you may proved due care;

Under the United State Constitution, the People gave Congress the authority in Article 1 Section 8 to regulate commerce (please see following Constitution provision):

To regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes; (emphases added)

Please take notice that YouTube is an entity doing commerce under the authority of the People while simultaneously choosing what information may be shared or posted based on political ideas, religious ideas, or creed, which is not authorized under the United States Constitution and the fifty State's Constitutions;

Please give Constitutional provisions that demonstrate where the People have granted authority for entities attacking the People while simultaneously using the People's permission to exist in commerce;

Please take further notice that under Section 230 of the Communications Decency Act of 1996 the original legislative was to:

Section 230

It is the policy of the United States—

- 3 *to encourage the development of technologies which maximize user control over what information is received by individuals, families, and schools who use the Internet and other interactive computer services;(emphases added)*

42 U.S.C 2000a(c)

(4) in the case of an establishment described in paragraph (4) of subsection (b), it is physically located within the premises of, or there is physically located within its premises, an establishment the operations of which affect commerce within the meaning of this subsection. For purposes of this section, commerce means travel, trade, traffic, commerce, transportation, or communication among the several States, or between the District of Columbia and any State, or between any foreign country or any territory or possession and any State or the District of Columbia, or between points in the same State but through any other State or the District of Columbia or a foreign country.

Please take further notice that the only entity that would not be able to be regulated under this public accommodation law would be entities that are not opened to the public as private clubs or associations

42 U.S.C 2000a(e)

(e)PRIVATE ESTABLISHMENTS

The provisions of this subchapter shall not apply to a private club or other establishment not in fact open to the public, except to the extent that the facilities of such establishment are made available to the customers or patrons of an establishment within the scope of subsection (b).

Please take notice that, I, one of the People, wish for there to be an investigation into the activities and censorship of commerce entity called YouTube and that the State and Federal legislatures revoke their licenses to do commerce in this State if this entity does not cease and desist from any further attacks on the Rights of the People to express their Constitutionally protected speech, creeds and beliefs.

If you believe that you have been granted the authority within your trust indenture called the Constitution, to give an entity the permission to limit the People's ability to speak and freely share ideas, please show the Constitutional provision where you were granted that authority within (5) days, sworn under the penalty of perjury by affidavit rebutting the above claims point by point. If you fail to respond within the allotted time, you agree that all actions that are trampling the Rights of the People are done with full knowledge, intent and malice.

VERIFICATION

I hereby declare, certify and state, pursuant to the penalties of perjury under the laws of the United States of America, and by the provisions of 28 USC § 1746 that all of the above and foregoing representations are true and correct to the best of my knowledge, information, and belief.
