**Florida Notice by Affidavit to Florida Government Trustees**

**Notice and Demand to Agent is Notice to Principal and Notice to Principal is Notice and Demand to Agent**

I, \_\_\_\_\_, one of the People, as seen in the Constitution of Florida (as seen in Article 1 Section 1 of the Florida Constitution) Sui Juris, am providing you due notice that you may respond and provide due care;

**Florida Constitution Preamble:**

We, the people of the State of Florida, being grateful to Almighty God for our constitutional liberty, in order to secure its benefits, perfect our government, insure domestic tranquility, maintain public order, and guarantee equal civil and political rights to all, do ordain and establish this constitution.

**Florida Constitution Article 1 Section 1:**

Political power: All political power is inherent in the people. The enunciation herein of certain rights shall not be construed to deny or impair others retained by the people.

**Florida Constitution Article 1 Section 5:**

Right to assemble: The people shall have the right peaceably to assemble, **to instruct their representatives**, and to petition for redress of grievances.

Please take notice that you purpose in government is to protect and maintain the People’s Individual Rights and now it is a necessity of the People, to step in and take control of those who we hired to handle our affairs;

Please take further notice, that I, as one of the People, have noticed attacks and censorship by major media and social media outlets on anyone who does not support a certain narrative. Furthermore it has been discovered that there are web “portals” that governments can use to censor information.

**UNITED STATES DISTRICT COURT DISTRICT OF MASSACHUSETTS CASE No. 1:20-CV-11889-MLW:**

*“Plaintiff has independently discovered the documentary evidence proving that Tassinari, Cohen, NASED and Twitter Legal jointly collaborated to design and build the core infrastructure, processes, and protocols enabling the **Twitter Trusted Partnership Program and the Twitter Partner Support Portal (PSP)**. In 2017, Cohen and others began formulating and designing the framework for silently violating the free speech rights of US persons by first characterizing speakers as “Influence Operators” (IOs)*

*thereby fabricating a sinister connotation where none exists, as the ideological framework to justify canceling speakers who exercise their right to express their opinion. In 2018, Amy Cohen, as Executive Director for NASED, testified to Congress about this emerging framework that she helped to formulate and architect in 2017, in cooperation with state officials and that they created a new centralized Governing Coordinating Council (GCC) that brought together both state and federal officials to create an electronic infrastructure for surveilling speech and monitoring "Influence Operators." This GCC also recognized the EI-ISAC as a centralized repository, across state lines. EI-ISAC also has direct access to Twitter."*

Please take further notice that any elected or appointed person or entity, or any private entity working on behalf of any government body, who interacts with any social media or news media outlet to suppress the speech of any citizen of Florida or of the United States of America, is violating the First Amendment of the US Constitution and their oath of office.

Please take further notice that I, as one of the People, am here to stand in my full power, and demand that a full investigation and comprehensive review of all interactions between any government official or person acting on behalf of any government official or agency, be conducted, both by the Senate and the Attorney General of Florida, in to weather the Secretary of State or any other government official or any entity acting on behalf of any government official or office, has in any way sought to interfere with our rights through any interaction with social media companies or media companies.

Please take further notice as per;

#### **Florida Constitution Article 1 Section 24:**

**Access to public records and meetings.** (a) Every person has the right to inspect or copy any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except with respect to records exempted pursuant to this section or specifically made confidential by this Constitution. This section specifically includes the legislative, executive, and judicial branches of government and each agency or department created there under; counties, municipalities, and districts; and each constitutional officer, board, and commission, or entity created pursuant to law or this Constitution.

I am demanding any correspondence, be it electronic, on paper or phone records, between the Secretary of State and/or their office and any social media outlet, including but not limited to Twitter, Facebook, Youtube, Google, Instagram or other social media outlet. I further demand any and all information as any government official access to the ***Twitter Trusted Partnership Program and the Twitter Partner Support Portal (PSP)***.

Please take notice that the Legislature of Florida was not granted the power to deny the Constitutional Authority of the people to alter, abolish or reform government in their general powers.

Any attempt to trample the People's rights after this notice will be considered a trespass with full knowledge and intent.

This Affidavit is a Contract, and if you shall ignore this Affidavit by not responding by the terms, you agree to pay \$1,000 per day if you fail to immediately make provisions for a full investigation and comprehensive review. If you, as a government official, believe that these claims are untrue, please respond within 5 days with Constitutional Provisions, sworn under the penalty of perjury, by the Affidavit, point by point, showing where you have Constitutional Authority to ignore these rights of the People. If you do not respond within 5 days, you agree, by acquiescence, that you are knowingly interfering with the rights of the People you swore to protect, and that this Affidavit shall stand as evidence that you are acting in Maladministration and that no court shall have the power to again adjudicate these matters and that all Courts of Record shall accept this Affidavit as truth and law. You also agree to be bound by all said herein and the Affiant is able to bring this Contract before an Arbitrator of Affiant's choice at the sole expense of you, and you agree to be bound by any award. If you cannot prove that you are acting under constitutional authority please take further notice that any denial of protection and maintenance of the People's individual rights is Maladministration, Treason and Insurrection. Failure to respond means that by acquiescence you agree that all claims are true.

**VERIFICATION**

I hereby declare, certify and state, pursuant to the penalties of perjury under the laws of the United States of America, and by the provisions of 28 USC § 1746 that all of the above and foregoing representations are true and correct to the best of my knowledge, information, and belief.
