

THE PEOPLES NOTICE TO DO FULL FORENSIC AUDITS

To: Representative: Janel Brandtjen

Address:

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, one of the People, _____, am giving you this notice that you and your agents may provide due care:

Please take notice that the people do not need to do Canvas work in order to direct their servants to audit their business, including that of checking on the integrity of Elections;

Please take notice that not carrying out the people's business with extreme care and diligence is not accord with your Oath to the Wisconsin State Constitution;

Please take notice that as one of the People, it is my belief that Dr. Douglas Frank is not working in the best interest of the People and interfering with the People's ability to get efficient and timely Full Forensic Audits done;

Please take notice that Jovan Hutton Pulitzer has technology that is taking an active role in the only Full Forensic Audit in America, and I as one of the People wish for you to take his wise counsel into full consideration;

Please take notice that this is an attempt to show you your duties and the dangers facing the People of America. Please take immediate action to secure the property, trust and will of the People as these are necessary actions in order to function outside of Maladministration.

In love and peace,
