Notice of Maladministration.  
Notice of Change in Contract Terms  
(Every member, individually, and  
all members collectively)

**Notice to Leon County School Board, Sheriff, Attorney General,  
Legislature, Government Officials and Governor**

**Affidavit of Demand to Initiate a Grand Jury  
investigation based on Maladministration**

**Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent**

I, \_\_\_\_\_, one of the People (as seen in Article 1Section 1 of the Florida Constitution), Sui Juris, am serving you with due notice, that you may provide due care;

Please take notice that the Leon County School Board (LCBS) and the supervisor Rocky Hanna have failed to adhere to their oath of office, failed to listen to the People to who they are subservient to and acted in direct violation of the law. The People asked, in a sworn affidavit for LCBS and the supervisor to:

- Immediately make provisions for a full investigation and comprehensive review of all pandemic measures
- Counter each one of these 65 studies with verifiable counter evidence showing any verifiable benefit for our children from wearing masks
- Show where we the People gave you the authority to violate our God given rights, protected under the United States of America and State of Florida Constitutions
- Hire an Industrial Hygienist to review all pandemic procedures

As one of the People, I demand that you certify in writing and by Affidavit, sworn under the penalty of perjury, where you have met any of these demands.

Please be aware that LCBS and the supervisor have already admitted guilt in all courts of record when they filed to address the sworn affidavit dated 8/24/2021;

*“If you do not respond within 10 days, you agree, by acquiescence, that you are knowingly interfering with the rights of the People you swore to protect, and that this*

*affidavit shall stand as prima fascia evidence, that you are acting in maladministration and that no court shall have the power to again adjudicate these matters and that all courts of record shall accept this affidavit as truth and law. You also agree to be bound by all said herein and the Affiant is able to bring this contract before an arbitrator of Affiant's choice at the sole expense of you, and you agree to be bound by any award. If you cannot prove that you are acting under constitutional authority please take further notice that any denial of protection and maintenance of the People's individual rights is Maladministration, Treason and Insurrection. Failure to respond means that by acquiescence you agree that all claims are true."*

Affiant claims that the actions of the Leon County School Board have far surpassed the danger of Maladministration, which event is required to alter, reform, or abolish government (Please see authority below):

### **Virginia Constitution Article 1 Section 3 Government Instituted for Common Benefit**

**Text of Section 3:** That government is, or ought to be, instituted for the common benefit, protection, and security of the people, nation, or community; of all the various modes and forms of government, that is best which is capable of producing the greatest degree of happiness and safety, and is most effectually secured against the danger of maladministration; and, whenever any government shall be found inadequate or contrary to these purposes, a majority of the community hath an indubitable, inalienable, and indefeasible right to reform, alter, or abolish it, in such manner as shall be judged most conducive to the public weal. [Emphasis by Highlight Added]

Please take further notice that, as one of the People, Affiant wishes for the private Bar Association to be totally removed from the middle of, away from, the People's business;

Affiant further wishes to have complete access to the grand jury of each county immediately in order to bring evidence of wrongs without government interference;

I, Affiant, have not witnessed fairness in the prosecution of actors who break the law in government. If you wish to block we the People from bringing evidence to investigate and submit to the grand jury, please show where you have authority to do so by Affidavit, sworn under the penalty of perjury;

Please take further notice that we the People have all political power. Your government seat, as an elected Trustee, has a duty to maintain and protect individual rights (please see authority below):

### **Florida Constitution Section 1: Vestment of Political Power**

All political power is inherent in the people. The enunciation herein of certain rights shall not be construed to deny or impair others retained by the people.

As one of the People, and no longer trusting in the veracity and honorable actions of the bar association, wish for you to immediately issue a public statement and order for the people to have access to the grand jury of each county to bring equal justice and correct the people's business;

If you believe that only government officials should be able to bring issues to the grand jury or wish to block access, please respond by Affidavit, sworn under penalty of perjury, indicating your Constitutional Authority for doing so;

Please take further notice that it is the will of Affiant for you to respond to these matters within five (10 days) under the penalty of perjury, point by point. Failing to do so indicates and attests that you accept by acquiesce and agree with all the above mentioned claims. A response not addressing each point will be considered a lack of response. You further agree that not responding with Constitutional Authority means that you agree that the words in this affidavit will be considered truth and law, and you agree to be bound by them and that any trespass done after receiving this notice is done with full knowledge, understanding, intent, and with malice. Affiant sends this Affidavit in the love of Christ and in Peace.

**Verification**

I hereby declare, certify and state, pursuant to the penalties of perjury under the laws of the United States of America, and by the provisions of 28 USC § 1746 that all of the above and foregoing representations are true and correct to the best of my knowledge, information, and belief.
