

## INSTRUCTIONS FOR AFFIDAVIT

Must be printed on 8.5 X 14 (legal size paper)

Send one copy to US Senator Ron Johnson and one to Senate Majority Leader Devin LeMahiey notarized and certified mail along with receipt of acceptance. Notarized and certified mail are important.

Helpful but optional, one copy of the notarized affidavit sent to those listed in the PROOF OF SERVICE and ADDITIONAL PEOPLE NOTIFIED section. This should be sent certified mail along with receipt of acceptance also.

I know this is an expense and can be considered an inconvenience but it is about We the People letting our Legislators know that they work for us. Free and fair elections. If the outcome of our election shows the same results after a forensic audit I would guess we would all accept that but if it shows different we also should know.

Article 1 Section 1 of the Constitution of Wisconsin states that “All people are born equally free and independent, and have certain rights; among these are life, liberty and the pursuit of happiness; to secure these rights, governments are instituted, deriving their just powers from consent of the governed.” In line with this overarching theme, the Wisconsin Constitution gives every elector qualified to vote in Wisconsin, as a citizen of the United States, who has attained the lawful requirements, to demand an forensic audit of the statewide election of 2020, by right, and in a matter that is self-executing. **This is a notice and demand for the forensic audit process to be started and completed.**

Article III Section 1 provides the qualifications of the electors:

**Electors.**

Every United States citizen age 18 or older who is a resident of the election district in this state is a qualified elector of that district.

Article III Section 1 (5) provides right to ratification by the people:

Subject to ratification by the people at a general election, extending the right of Suffrage to additional classes.

Article 1 Section 22:

**Maintenance of free government.**

The blessings of a free government can only be maintained by a firm adherence To justice, moderation, temperance, frugality and virtue, and by frequent Recurrence to fundamental principles.

By the power of the people, and the power declared in the above constitutional provision, I, Affiant, demand, require and order a complete forensic audit of the 2020 statewide election results along with all votes, machines and software. As seen above all rights that were set forth in the above sections are self-executing, and since you are being given notice that this forensic audit is demanded, please start the audit process and please respond to me at the given address with all information on the results.

Any attempt to trample the people's rights after this notice will be considered a trespass with full knowledge and intent.

Any man or woman who denies these claims are true must rebut them under the penalty of perjury in the form of a sworn affidavit. Any man or woman who decides to suppress this affidavit agrees to pay \$30,000 and any disputes by any public official or private actors who are bound by contract to the Wisconsin Constitution agrees to have these matters heard before an Arbitrator of my choice and to be bound thereby. Any man or woman denying these claims are true must rebut these claims point by point within (3) days (72 hours). Failure to respond means that by acquiescence you agree that all claims are true.
