**Notice by Affidavit**

Notice and Demand to Agent is Notice to Principal and  
Notice to Principal is Notice and Demand to Agent

Comes now Affiant, \_\_\_\_\_, one of the  
People (as seen in Nevada Constitution Bill of Rights Article 1 Section 2), Sui Juris,  
in this Court of Record, bring the following claims and facts, that you and your  
agents may provide due care.

**Please take notice that:**

All governments started with the People. It was founded and based on the People's will and never about the desires or will of the government officers. The People addressed you as trustees and servants and all times to be accountable to the People. Therefore, the People are not limited by your statutory limits. All government, of right, originates with the People, is founded upon their will only and is instituted solely for the good of the whole. Public officers are the trustees and servants of the People and are at all times amenable to them.

Please take notice that our Nevada State Constitution, which you have sworn to, explains that the People have the right to regulate their internal government, and therefore, when the People may need, there is a guaranteed right to reform, alter or abolish government. The government is to be regulated by the People and as Trustees and Servants, it is your duty to carry out the wishes of the People who granted authority for you to handle the People's business. Therefore, I am presenting fundamental law and instructions that you may observe and carry out the will of the People (Observe the Constitutional Provision supporting this authority below):

**Nevada Constitution Article 1 Section 10  
Right to Assemble and Petition**

*"The People have the right to assemble peaceably for their common good and to apply by petition or remonstrance to those vested with the powers of government for redress of grievances."*

**Nevada Constitution Article 1 Section 2:  
Purpose of government; paramount allegiance to United States**

*"Government is instituted for the protection, security and benefit of the People; and they have the right to alter or reform the same whenever the public good may require it."*

The People of this state have the inherent right of regulating their internal government. Government is instituted for protection, security and benefit of the

People; and at all times they have the right to alter or reform the same whenever the public good may require it. It is the People who decide what direction the government should proceed.

Please take further notice that Nevada civil officers guarantee that they will not interfere with the right of suffrage, yet we have been denied further investigations of discovery of deceased voters, voters who reside in a state other than Nevada, etc. The People of Nevada have not been effectively represented and we have not had our complaints about the elections resolved fairly and accurately. Our existing government has willfully prevented the People from being able to accurately determine all legal votes therefore has violated our constitutional rights.

The Nevada Constitution clearly shows that for our votes, scrutiny must be done to reduce them to all legal votes. This is sworn to by all workers in the state as part of the agreement to work for the People of Nevada. The Forensic audit of the votes and systems is the right of the People to know all elections are equitable and free of fraud.

### **Nevada Constitution Article 2 Section 1 and Section 1A Right of Suffrage**

**Section 1A #11.** *“To have complaints about elections and election contests resolved fairly, accurately and efficiently as provided by law.”*

It is therefore hereby the will of Affiant, Order and Demand that a full forensic audit of Clark County, Lyon County, Nye County, Washoe County and Pershing County be done immediately for the purpose of ensuring accuracy and integrity as the right of the People who created and Regulate Government. The forensic audit shall be a full and complete forensic audit of all paper ballots both in person and absentee, all Machines, related software, ballots, routers, internet devices. The People of Nevada want in addition a review of the examination/certification/testing report for ballot reader equipment and related software, the Escrow purchase agreement and addendums to the contract of the Dominion Voting Machines and any other election related materials and systems. The forensic audit shall make provision for Democrat, Republican, Independent. Furthermore, we the People demand that the legislature works with the people

securing a well-balanced forensic audit. Results of the Forensic audit shall be made available to the public.

This Affidavit is a Contract, and if you shall ignore this Affidavit by not responding by the terms, you agree to pay \$10,000 per day if you fail to immediately make provisions for a Forensic audit. If you, as a government official, believe that these claims are untrue, please respond within 5 days with Constitutional Provisions, sworn under the penalty of perjury, by the Affidavit, point by point, showing where you have Constitutional Authority to ignore these rights of the People. If you do not respond within 5 days, you agree, by acquiescence, that you are knowingly interfering with the rights of the People you swore to protect, and that this Affidavit shall stand as evidence that you are acting in Maladministration and that no court shall have the power to again adjudicate these matters and that all Courts of Record shall accept this Affidavit as truth and law. You also agree to be bound by all said herein and the Affiant is able to bring this Contract before an Arbitrator of Affiant's choice at the sole expense of you, and you agree to be bound by any award.

If you cannot prove that you are acting under constitutional authority please take further notice that any denial of protection and maintenance of the People's individual rights is **Maladministration, Treason and Insurrection**. Failure to respond means that by acquiescence you agree that all claims are true.

Hi, Everyone! Please share this far and wide and let's get this moving!!! As the Arizona Audit is about to reveal, there was MASSIVE voter and election fraud throughout the United States. You have probably heard about the NV GOP visiting the Arizona Audit. Patriots here in Nevada have been consistently filing documents to the Nevada Secretary of State requesting (legal demand) the transparency our Nevada constitution provides and yet they, the Nevada, powers that be, have not administered. **THE LAST TWO PAGES OF THIS DOC ARE TWO DIFFERENT FORMATS FOR EMAILING ALL THE NEVADA AND US CONGRESS.** Choose the one you prefer, but hit the US and NV Reps and Senate at least once each. Criptext.com has the option for return receipt email, which is preferred (and it's free to create an account! Very secure also FYI)

We are now at the stage where we need **YOUR** help!!

Thank you in advance for your desire for free and fair elections. This is not about who won or did not win. It is about securing our elections to prevent fraud and treason in all future elections.

Arizona has led the charge and are helping us Patriots to navigate this process!

Disclaimer: After the recorder's office receives your affidavit, they may send you a notice. It may read that you need to send them \$37 to record the affidavit or it may read your affidavit was rejected, save that paper, and **do not** send money!

It is legally complicated, but that is all we need. The notice may state "we received your paperwork and .....". Which means they received the affidavit and that is all you need for your record.

Thank you in advance. Please save the following documents (proof of mailing, receipts, and recorder letters with your original).

We need you in Nevada (and outside of Nevada) to follow these simple instructions.

You will need to sign page 5 in the presence of a notary on the "Autograph of Affiant" line (DO NOT SIGN BEFOREHAND)

**Print the Affidavit document.** THEN Use the fillable PDF to email the affidavit to all the email addresses at the end of these instructions (this will save you a LOT of money). This is also very important. **PLEASE DO NOT FORGET THIS STEP!**

Page one: At the top of form, Write in (or use fillable PDF) your name and address.

Page one: Fill in Comes now Affiant, \_\_\_\_\_(your legal name).

Page 2-4: please read.

Page 5: Fill in the following: Executed \_\_\_\_\_(county where you get it notarized, may be different than where you get mail), \_\_\_\_\_ State (your voting state) on this \_\_\_\_ (date) of \_\_\_\_\_ (month)  
\_\_\_\_\_(sign) autograph of Affiant (this is you)

Page 5: the bottom half **MUST** be notarized by Notary as JURAT CERTIFICATE:

Retain original for your files and mail copies.

Make at least 5 copies (you keep original), up to 15 copies, depending on your financial situation. Go to post office and send via **CERTIFIED** mail to the addresses on page one (3). If you can't afford ANY certified mail, regular mail is better than not sending!

Page 6 are more addresses for snail mail (with a stamp). It is preferred to mail affidavits, certified to these addresses, if it is in the budget. The rest of the pages are for **EMAILING**: copy, cut, paste in bulk email. Choose a kind, inviting header. Criptext.com has return receipt for emails if you have the time, it's worth it.

Pat yourself on the back and reward yourself for doing your civic duty!! We **WILL** prevail! Thank you so much!
